PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building responsive, modern web interfaces using React, Tailwind CSS, and JavaScript. Currently strengthening skills in a professional setting as a Frontend Intern, alongside a growing self-directed portfolio spanning API-driven applications, dashboards, and e-commerce interfaces. Comfortable across the full frontend stack — HTML, CSS, JavaScript, and React — with practical experience in state management, responsive design, and third-party API integration. Seeking an entry-level frontend developer role to continue growing as a professional developer.

AREAS OF EXPERTISE

HTML | CSS | JavaScript (ES6+) | React | React Router | Tailwind CSS | Responsive Web Design | REST API Integration | Git & GitHub | VS Code | State Management | UI Component Development
